14th ANNUAL

**CONCUSSION &
BRAIN HEALTH**
SYMPOSIUM

MAY 14 - 16, 2026
CLEVELAND, OH

ANNUAL MEETING AT A GLANCE

SNS targets all healthcare professionals involved in managing, treating, and promoting athlete brain health including neuropsychologists, physicians, clinical and sports psychologists, athletic trainers, nurses, physical therapists, and stakeholders. Many of our symposium courses have high relevance for high-school and college administrators, athletic personnel, sports league executive bodies, attorneys, and game day officials.

OUR MISSION

To advance the field of sports neuropsychology, to generate and disseminate knowledge regarding brain health, injury, and safety as it applies to sports, and to promote the welfare of athletes at all developmental levels.

We educate our membership, athletes, athletic personnel, stakeholders, & the general public about brain health, brain injury, emotional well-being, and safety in sports.

SYMPOSIUM DETAILS

Our symposium targets all healthcare professionals involved in managing, treating, and promoting athlete brain health including neuropsychologists, physicians, clinical and sports psychologists, athletic trainers, nurses, physical therapists, and others. Many of our symposium presentations have high relevance for high-school and college administrators, athletic personnel, sports league executive bodies, attorneys, and game day officials.
